- Private online gallery to view and download your films
- Full day coverage, one videographer, ceremony & speeches. As mentioned above*
- Drone filming included (weather and venue permitting)
- Your film(s) in 4K resolution

'ON THE DAY' PREVIEW

Yes that's right! We now offer a short 20-25 second film delivered to you ON YOUR WEDDING DAY!

It features some highlight moments of your wedding up to your wedding breakfast. No sound or audio is included but you have something beautiful and cinematic to share INSTANTLY with your family & friends.

Plus, when you watch it for the first time, I get to share that little moment with you!

Visit here to see some of our 'on the day' previews: [Instagram 'On the day' previews](#)

Seeing ours on the day was such a highlight! It's incredible! I've watched it a million times since and I'm still in awe of it!!! ✨

Of course you can! Honestly the amount of messages I've had saying how incredible the preview is, unreal - we must've watched it 300 times already haha!

They're incredible. The fact you get them done so quickly makes it even more so. I'm not sure how you had ours ready before I'd even had my dessert!

Omg Josh! Thank you soooooo much. Thank you for getting so involved, being so incredibly helpful all day, making us laugh and capturing our day! The short preview is amazing, I've had so many messages about it.

We had the best day and can't wait to see the incredible work you'll create.

THANK YOU!

Thank you for getting in touch and if you have any questions then don't hesitate to ask!
